“Earmarking Property Tax Revenues for Education: Now You See Them, Now You Don’t” with Robert Lawson, *Perspectives on Current Issues*, The Buckeye Institute, April 1998.

Federal Reserve Bank of St. Louis Activities

Provide the Bank President with analyses of economic data for the 8th Federal Reserve District prior to the meeting of the Federal Open Market Committee.

Serve as editor for *Regional Economic Development*, an in-house online journal published by the Federal Reserve Bank of St. Louis.

Organize policy conferences in conjunction with the Weidenbaum Center on the Economy, Government, and Public Policy at Washington University in St. Louis. Previous conference topics include public education financing, Medicaid reform, the economics of ethanol, and local government public financing during economic downturns.

Speak to external audiences on local economic conditions and public policy issues. Over 100 talks during my tenure at the St. Louis Fed – list provided upon request.

Provide lectures on microeconomic topics to high school teachers enrolled in the Economic Education program at the Federal Reserve Bank of St. Louis.

Member of the Federal Reserve System’s State and Local Fiscal Data working group. Responsibilities include tracking and evaluating changes in state and local government fiscal data in the 8th Federal Reserve District.
